

## About Us

Dream for Kids Japan was established in 2001 with the goal of helping children to lead normal lives despite being in difficult circumstances. In 2017, Dream for Kids Japan became an officially registered Non-Profit Organization, and it has since expanded its projects to address a wide array of difficulties faced by youth in Japan.

## A Message from Our Founder:

“When I started this endeavor in 2001, I had no idea I’d still be doing it 23 years later — but I don’t intend to stop now.”

## Our Mission and Programs: A Snapshot

[www.dreamforkidsjapan.org](http://www.dreamforkidsjapan.org)

## Our Mission

Dream for Kids Japan exists to help disadvantaged children grow up with the confidence and self-esteem to believe that they can achieve any dream they work toward.

Through our programs, we aim to address common challenges faced by youth in Japan such as poverty, discrimination, neglect, and the right to education.

## Our Programs

Dream for Kids Japan is involved in a wide variety of activities to support children across Japan

### Experiential Learning

The organization creates experiential learning opportunities for families and children in alternative care that go beyond government resources.

### Employment Assistance

The organization supports young adults making the transition from foster care to independent living.

### Disabilities Services

Our organization supports initiatives such as music therapy and individual sponsorships for disabled youth.

### Scholarship Program

This year, the organization launched an initiative to expand the right to education for disadvantaged youth through a new scholarship program.

## Partners and Collaborators

The Dream for Kids Mission, could not be achieved without cross-sector collaboration. We aim to engage partners within:

- Government
- Private Corporations
- NPO Industry Experts
- Individuals and Volunteers
